

ART IS FUN

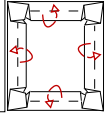

Directions:

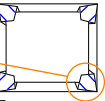

1. Place this side down (art work image side up); and fold along these creased lines.

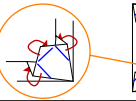

2. Valley fold the opposite sides, top and bottom edges, thereby making four small squares on the corners. Squash them flat.

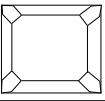

3. Fold in the edges inside the model along the creased lines.

4. Fold in the three edges; Do that for all corners.

5. Finished!

This side up when following the instructions.

Front.

Back.

(Optional side. Try inserting a photo or your favorite image after you've made the frame.)
